## Letter from the President

Hello All!

May turned out to be another challenging month for KPA flying. Our repeated attempts to visit northwest Arkansas (Berryville or Bentonville) were once again thwarted by storms in the area.

We tried for a back-up gathering at Stearman Field, but with too many competing area events that day, no one was able to attend.

As a reminder, our June 'super' fly-out to Fredericksburg, Texas is still on for the 24th and 25th.

And of course our annual meeting is once again being planned for July in Hutchinson – stay tuned for details.

Blue skies and tailwinds.

## Hangar Hangout at Stearman

Junior League of Wichita invites you to attend a Hangar Hangout. Hangar Hangout will feature self-guided tours of private hangars at Stearman Airfield. The Stearman community is closed to the public, making this a rare opportunity for a behind the scenes look at the unique homes and hangars in this neighborhood.

This fundraising event will feature aircraft on the ground and flying overhead, pop up shops by some of your favorite local businesses, a wine tasting and an exclusive party in a beautiful hangar, which will include drinks, hors d'oeuvres and entertainment from the Loose Gravel Gig band.

There will also be a silent auction featuring unique items and experiences for

you to bid on, as well as a wine, whiskey and cigar pull.

Proceeds from this event will benefit Junior League of Wichita, an organization of women committed to promoting volunteerism and improving our community through the effective action and leadership of trained volunteers. Junior League members work with the community to combat child abuse in the Wichita area through awareness, prevention and intervention.

Junior League of Wichita currently partners with Family Promise of Greater Wichita on a program that aims to stabilize families who are at risk for homelessness.

We hope you will join the fun on Saturday, June 11th from 3:00-6:00pm!
