Letter from the President

Hello All!

We had a good turnout for our Annual Membership meeting July 12th at the Hutchinson Airport Steakhouse.

Also, lots of volunteers to help organize upcoming events – much appreciated.

See the proposed meeting and fly-out schedule below.

And thanks again to Joanne for all the great door prizes she brought.

Blue skies and tailwinds.

July Fly-Out

The morning of July 16th was beautiful. Low 80's and little wind.

At approx. 8 AM a "gaggle" of KPA pilots from as far west as Haviland and as far south as Wichita ascended to the sky with a single location, K59, Amelia Earhart Airport for fun, food, and warbirds!

Although KC had LIFR conditions earlier in the day, they had cleared to VFR. As we all passed Topeka however, we could see the conditions deteriorating farther north.

When we all started to check the weather conditions at Atchinson, we quickly realized that the minimums have gone back to IFR. While that was ok for some of us, some of us were not able to continue that run.

The "gaggle" began to divert. A few went to Topeka (I presume for some great Bar-B-Que), several decided to return to their home airports, and several of us diverted to "the Ole Standby" 1K1 Stearman Field.

There we sat and drank beverages and talked aviation (is there anything else?) and as soon as the lunch menu came out, had some great food again before heading home.

While we were not able to complete our mission, we did in fact get to fly!

August 2nd Meeting

We will meet at Chico's Mexican this month, with a presentation covering the process of getting a drone (Small UAS) license.

A seasoned GA-pilot will relate his recent experience obtaining a Remote Pilot Certificate under CFR Part 107.

See you there.
