Annual dues.....20.00

Remit to "KPA" or "Kansas Pilots Association" and mail to:
Steve Hatfield/KPA
Treasurer
9811 S 183rd St W
Clearwater, KS 67026

Letter from the President

Hello All!

Please come to our Annual Membership meeting July 12th at the Hutchinson Airport Steakhouse.

They close at 8 so we'll aim for a 6:00 start. No elections this year but we have some important topics to discuss. Your current staff:

Dan DeMott, President
Sara Hunt, Vice president
Terry Williamson, 2nd VP

have identified several areas of concern, which are vital to maintaining the health of our club.

These include: getting more participation from new members, maintaining attendance at monthly meetings, and distributing the workload for organizing meetings and fly-outs.

I realize these are not new issues, but since we've seen a decrease in activity over the last year, we feel a need to emphasize that we can't continue business as usual.

So please bring your ideas for re-invigorating the Kansas Pilot's Association.

See you in Hutch!

Blue skies and tailwinds.

Dan DeMott
KPA President

What's Coming Up?

2020-2021 Events Calendar

Please note the times you are in charge!
Please note that all meetings will be online and in person!

July Meeting (Annual Meeting)

**July 12th, 2022
Hutchinson Airport Restaurant
Hutchinson KS
Discussion of current state of the Club
6-8:00 PM
Meeting to begin at 6PM**

July Fly-Out

As announced at the June membership meeting, this month's fly out will be to Atchison, Kansas, on July 16.

Per Airnav, Amelia Earhart Airport, K59, is two miles west of the town, and approximately 156 nm from KICT @ a course of 042 degrees.

This year is the 125th anniversary of AE's birth, and there is a new museum at the airport dedicated to her life and aviation accomplishments.

We'll plan on an early start to the day to avoid the worst of the heat. More details about our event will be provided at the upcoming annual membership meeting on the 12th.

KANSAS PILOT ASSOCIATION MEETING MINUTES

KANSAS PILOT ASSOCIATION MEETING MINUTES

June 7, 2022

We met at Chico's Mexican this month, with about 10 attending. The program was on mobile pilot apps/EFBs.

Jim Scarpelli presented the Garmin pilot app, and Dan DeMott presented the Foreflight app on an iPad, using a Sentry GPS/ADS-B receiver.

The two apps both have many useful features, with differing formats.

For example, in addition to navigation, weather briefings, and weight and balance, some also offer a simple artificial horizon with obstacle and terrain alerts.

A great source of information about iPad applications and choices can be found at <https://ipadpilotnews.com/>, a Sporty's Pilot Shop website.

A lively discussion followed.

Meeting was adjourned.
