Letter From The President

The October 4 KPA meeting was held at Yingling Aircraft , Eisenhower wichita Airport. Major Thomas Schulte presented his perspective of flying the USAF Boeing KC-46A Pegasus tanker. Our well attended event was organized by Ron Caffrey. Members enjoyed Subway sandwiches and cookies courtesy of the Club, and learned a lot about the nation's newest tanker aircraft. Many thanks to Ron and Major Schulte.

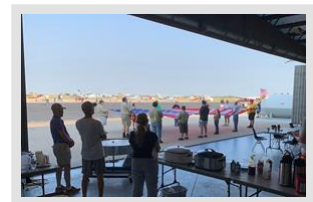

Then our October flyout on the 22nd was to Lucas, Kansas, 38K, for a late breakfast at the K-18 Cafe with our "awesome " waitress and major servings of biscuits and gravy. Two aircraft attended with 4 club members. Then we toured the 'Garden of Eden' house and grounds. Amazing 100+ year old stone house!

As announced last week, our next event will be November 1st in Salina. I'm really hoping many of our northern and northeastern members will come to this event. See you there!
