Letter From The President

We had a good turnout for our March meeting at Chico's, with Joe Bertapella from the Augusta Flight Training Center discussing spin training. Thanks to Jim Fallis for arranging this event.

It's now April in Kansas, and you know what that means: the birds and the bees are busy finding places in our airplanes for their nests. Time to spend a little more effort doing that preflight inspection.

Even though the seasons are changing, we had to cancel our planned fly out to Hayes due to winter weather moving into northwest Kansas.

PIC (Person in Charge) Dan Bowles quickly pivoted south that morning, and three of our airplanes enjoyed lunch at Enrique's in Ponca City.

We have a special monthly meeting planned for Tuesday, April 4. Gil Wooten will host the group at The National Center for Aviation Training, 4004 N Webb Rd in Wichita, located at the north end of Jabara Airport.

The club will serve pizza at 6:00, with a presentation at 7 put on by the director of the flight training department.

Hope to see you there.
