Letter To The President

Good day fellow aviators,

Our September annual picnic to Hatfield's was a success. I believe he relayed to me that 26 people showed up including members and neighbors.

I unfortunately was unable too attend as I was in Reno at the air races. I believe this was the last year in Reno but hearsay they will be in Vegas next year. If you've never been I would suggest you put it on your bucket list in the future. A pure rush!!

Our October Meeting is set to be at Chico's next Tuesday the 3rd. Gil Wooten has a 20 minute slide or presentation for us.

Our October fly out Is scheduled to be at Atchinson on October 28th.

Our November meeting is also scheduled for Tuesday November 7th at Ortega with a fore flight presentation.

Looking ahead: Pratt (KPTT) has not had a fly in for years mainly because of lack of help organizing it. I am trying to bring new things to my community. I will be hosting a huge fly in on May 11th 2024. I have a ton of planning to do but I do know I also want to make it a young eagles event as well. I will need pilots for this day. I am expecting to bring 100-150 kids to the air on this day. I will not be able to do this solely with a Cessna 150!!! If you have ever thought about becoming a young eagles pilot there is some time for planning. I will need all the help I can get. Also I plan on having a KPA booth set up and would like to give away some sort of small styrofoam, or cardboard airplanes that the kids can take home.

Let's face it if we don't get kids involved in aviation then I believe aviation could be in trouble with a shortage of pilots.

I will also need help manning the booth if we could find a couple of volunteers.

I hope to you at Chico's!!!
Terry

September Fly-Out

Fly-Out: Sep 16th

Our Annual KPA Picnic at Hatfield was once again a big success!

Great food, Great company, Great Weather and Great conversation.

We only had one member fly in this time but was a lot of fun watching a great pilot land his mooney on the field!
