## Letter To The President

Good day fellow aviators,

I really don't have a lot of news or new stories this month. This weather has been real crummy. Hopefully next week we can get some good sunshine and dust those planes off.

Our monthly meeting at Chico's restaurant was good with speaker talking about angel flights.

Unfortunately we had to cancel out the fly out. I was stoked to fly into Stearman for our fly in even though it was 12 degrees however we must have some bad wiring in the hangar because the main breaker was tripped and I couldn't get it to reset long enough to get the door up.

The good lord mysteriously was of saying "you're not flying today".

Our next meeting will be held at Chico's again Tuesday February 6th. I don't have any speakers or anything lined out as of right now. I will keep you posted about upcoming fly outs and meetings. If anyone has any recommendations of another meeting place with a private room I am open to ideas.

Blue skies and tail winds,

Terry
